# The Three Little Wolves And The Big Bad Pig by Samuel Alfens

Once upon a time there were three little wolves. The three little wolves were visiting their mom when they decided to set off to find a home. There was a cougar coming down the road with bricks, cement and iron. The three little wolves asked the cougar if they could have some bricks, cement and iron? The cougar said yes, you can have some. Soon the three little wolves made a nice little house. The big bad pig soon came down the road. I will huff I will puff and I will blow your house down boomed the big bad wolf! The wolves scrambled into their house just in time! The pig found some dynamite and struck a match. Boom! Boom! Boom! went the dynamite!

The house exploded but the three little wolves got out just in time. Then three little wolves then went down the street. The three little wolves saw a dog coming up the street. He had a ton of flowers! The three little wolves asked the dog if they could have some flowers? Soon the three little wolves built a nice home. Along came the big bad pig. He was just about to say something when he smelled the flowers. He loved flowers!

Soon the big bad pig became friends with the three little wolves.
