

Once Upon A Time

Dirty Joe the Pirate

By Lola

Once upon a time there lived a pirate named Dirty Joe. He and his crew sail the seven seas in search of dirty socks. He sailed the scrummiest craft with his one good eye and when he spied a houseboat out there he'd sneer and lick his lips and laugh like he were mad. One evening one of his crew mates spotted a boat out there. They all sharpened there swords and knives. When they got closer Dirty Joe noticed something, it was five hundred pirate woman with swords and knives with hundreds of pairs of underwear flying above them. That made the men shake and tremble. "You lily-livered lunks of lard" lashed out Dirty

Joe but it is Stinky Annie for goodness sake. "Let's fight!" Stinky Annie climbed aboard along with her crew. Stinky Annie cornered Dirty Joe and said "I want your boxers in case you didn't know." Wait said Dirty Joe you remind me of someone. That's it said Dirty Joe you're my older sister Stinky Annie. They realized they wanted to work together and join forces. The underwear and sock pirates made all other sailors shake and tremble in fear of losing their dirty socks and underwear. Dirty Joe and Stinky Annie lived terribly ever after on the sea side by side. THE END
