

Pooper Scooper Ella 🍌

By Marlo O'Rourke #12

Once upon a time there was a girl named Ella. Her stepfather and stepbrothers were very mean to her. They made her pick up a lot of horse poop at their ranch. One day the fair sent out tickets for all the people in the town. Her stepfather and stepbrothers did not let Pooper Scooper Ella join in on the fun. So Ella had to sneak out her bedroom window. She rode her fastest horse, Bolt, to beat her stepfather and stepbrothers to the fair. When she got to the fair she met her new best friend. Her best friend's name was Sapphire. Ella and her best friend played at the fair. They went on the ferris wheel, the roller coaster, and the Frog Leaper. At the top of the Frog Leaper she saw her stepfather and stepbrother come very close. So as soon as the ride was over she bought a hoodie to disguise herself and ran off. Unfortunately Ella dropped her

phone on the Frog Leaper ride. Sapphire found her phone but didn't know where Ella lived. Sapphire wanted to find Ella. She knew that only Ella would be able to unlock the phone. So she offered the phone to anybody that knew the password. Her stepfather and stepbrothers were in the line when Sapphire asked them if they knew the passcode to this phone. They all really wanted the phone for themselves but none of them had the correct passcode. They were yelling to have another try. Ella came down to see what all the ratchet was about. She tried to unlock the phone and it worked. She got to keep the phone and was able to talk with her best friend anytime she wanted. Her stepbrothers and stepfather got sent to jail and the best friends lived happily ever after. 😊
